Cutting diagram for 32003 Black (stripe) fabric:

Cut (4) 5" squares on the diagonal, centering a motif for each.

Constructing Flying Geese Units:

Draw a diagonal line across back of 3-1/4" square **32002 Purple (floral)**. Place RST with 3-1/4" **Black Solid**. Sew a scant 1/4" from each side of the line. Cut along drawn line to form (2) HST units. Trim to measure 2-3/4". Repeat steps to form (16) HST. Sew together to form (8) 2-3/4" x 5" Flying Geese units.

Repeat using 3-1/4" squares **32002 Turquoise (floral)** and **Black Solid**, again forming (16) HST, then (8) Flying Geese units. Remember to trim the HST to measure 2-3/4".

Constructing Star Block:

Sew together: 2-3/4" squares **32002 Purple (floral)**, **Purple/Black** Flying Geese units, and fussy cut 5" squares **32003 Black (stripe)**. Repeat to make a second **Purple** Star Block.

Repeat steps using 2-3/4" squares **32002 Turquoise (floral)**, **Turquoise/Black** Flying Geese units, and fussy cut 5" squares **32003 Black (stripe)**. Make (2) blocks.

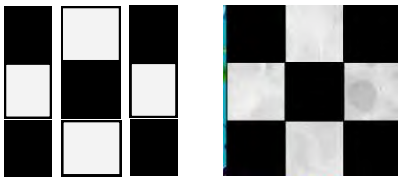

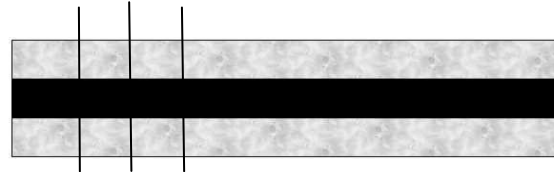

Constructing Mini Nine-Patch Units:

Sew together (2) 1-1/2" x WOF strips **Black Solid** and (1) 1-1/2" x WOF strip **237 Soft Gray**. Make (2) strip sets and cross cut into (48) 1-1/2" sections.

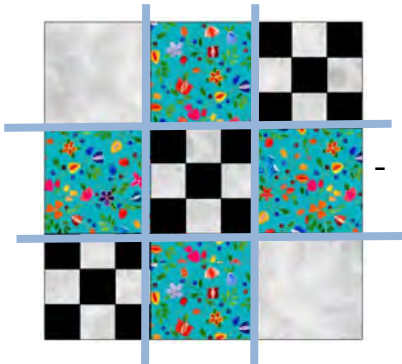

Sew together (2) 1-1/2" x WOF strips **237 Soft Gray** and (1) 1-1/2" x WOF strip **Black Solid**. Cross cut into (24) 1-1/2" sections.

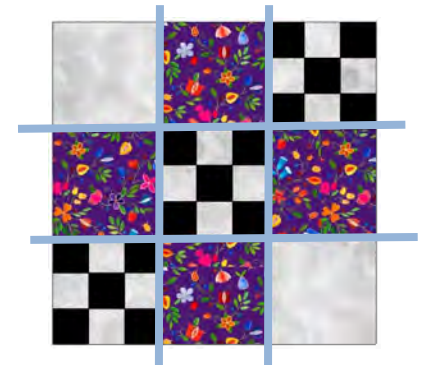

Sew together (2) **Black/Soft Gray** sections with (1) **Soft Gray/Black** section to form Mini Nine-Patch unit. Make (24) blocks.

Constructing Nine-Patch Blocks:

Sew together 3-1/2" squares **237 Soft Gray**, 3-1/2" squares **32002 Turquoise (floral)** and **Black/Soft Gray** Mini Nine-Patch units to form block. Note the placement of the blocks and colors. Repeat to make (4) blocks.

Sew together 3-1/2" squares **237 Soft Gray**, 3-1/2" squares **32002 Purple (floral)** and **Black/Soft Gray** Mini Nine-Patch units to form Nine-Patch Units. Make (4) blocks.

Constructing Quilt Top:

Important: Pay close attention to the orientation of all pieces!

Be sure to line up blocks and Sashing Strips as you go.

Row 1: Sew together (1) triangle **32004 Purple (dancers)**, (1) 1-1/2" x 9-1/2" **Black Solid** Sashing Strip, **Turquoise** Nine Patch block, Sashing Strip, **Purple** Star Block, Sashing Strip, **Turquoise** Star block, Sashing Strip, **Purple** Nine Patch block, Sashing Strip, and **32004 Turquoise (dancers)** to form Row 1. Note the placement of the Nine Patch Units and that the heads of the figures in the Star Blocks should be **FACING TO THE RIGHT**. Note that the triangles on the ends are oversized to be trimmed later.

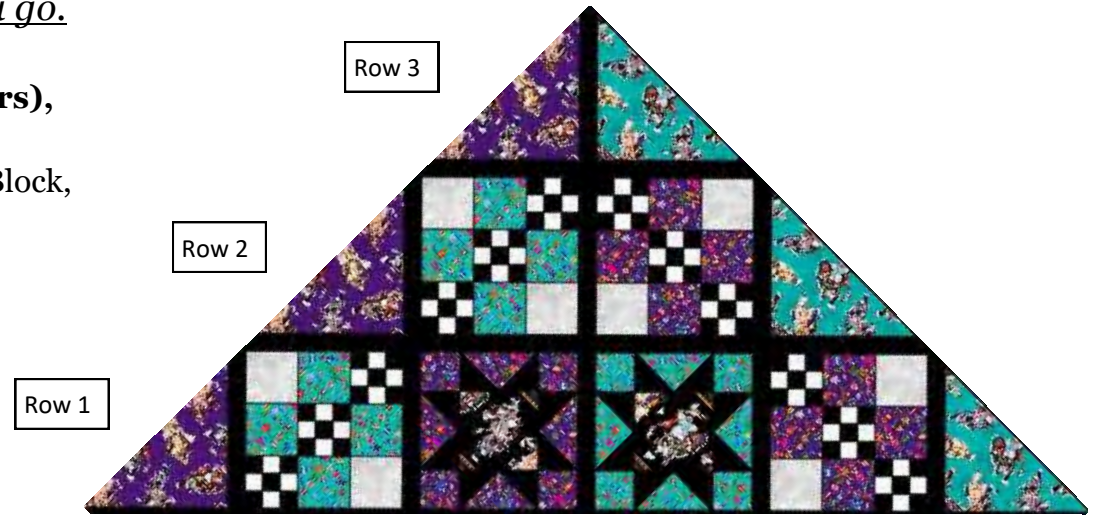

Sew together (4) 1-1/2" x WOF strips **Black Solid**. From this cut (2) 1-1/2" x 43" Sashing Strips and (1) 1-1/2" x 65" Sashing Strip.

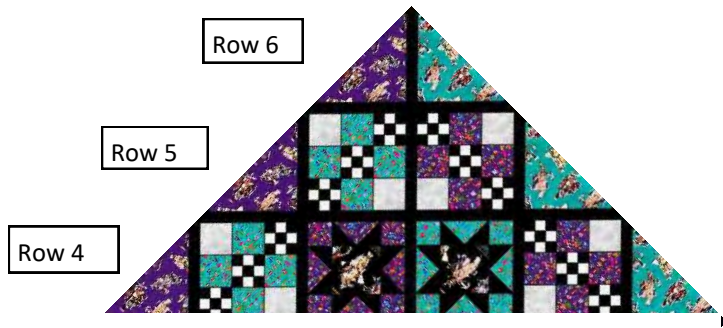

Add (1) 1-1/2" x 43" Sashing Strip to the top of Row 1, centering the Sashing Strip. Set the other strips aside for future steps.

Row 2: Sew together **Turquoise** and **Purple** Nine-Patch Blocks and **Black Solid** Sashing Strips. Add **Purple** and **Turquoise** triangles to each end. Sew to the top of Row 1 Sashing Strip, being sure to line up blocks.

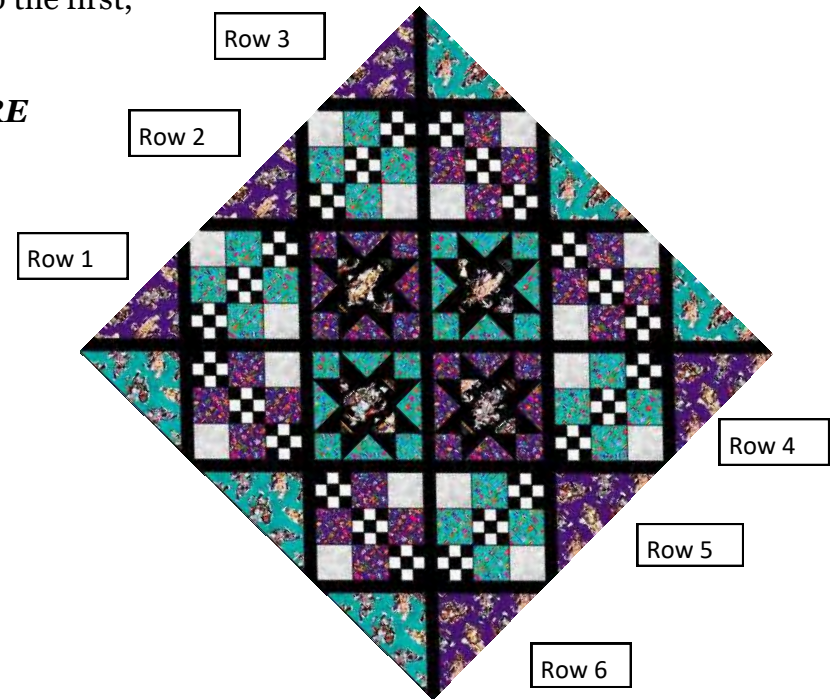

Add 1-1/2" x 23" **Black Solid** Sashing Strip to top of Row 2. Center Sashing Strip and be sure to line up blocks above and below the Sashing Strip.

Row 3: Sew together **Purple** and **Turquoise** triangles and (1) 1-1/2" x 12" **Black Solid** Sashing Strip. Sew to the top of Row 2 Sashing Strip, being sure to line up Blocks and Sashing Strips.

Construct second unit in same manner. It is identical to the first, except that the **HEADS OF THE FIGURES ARE FACING LEFT.**

Sew the 1-1/2" x 65" Sashing Strip to the bottom of row 1, then add the second section (sewing the sashing to the bottom of Row 4).

Again be sure to line up the blocks with the ones above.

The Final Trim:

+1/4" ← The triangles and long Sashing Strips were cut oversized and now need to be trimmed.
 +1/4" ← Trim the excess away leaving 1/4" seam allowance beyond the points on all 4 sides.

Adding Border:

Be careful when adding borders, as the triangles have bias edges which stretch easily.

Note the orientation of the stripe (heads of dancers in—or heads out if you prefer).

Measure the width of the quilt top and cut the (4) 6-1/2" strips **32003 Black (stripe)** to size (should be about 42-1/2"). If you need a longer length border strip, cut another 6-1/2" x WOF strip, piece together (3) 6-1/2" x WOF border strips and cut to correct length.

Sew the 6-1/2" **32003 Black (stripe)** border strips to the sides of the quilt top.

Sew 6-1/2" squares **32002 Turquoise (floral)** to ends of remaining border strips.

Add to the top and bottom of the quilt.

Be sure that all the dancers are heads up, or arrange as you wish.

Finishing the Quilt

Layer quilt top, batting and backing. Quilt as desired.

Use reserved 2-1/2" x WOF **32002 Turquoise (floral)** binding strips to complete quilt.
