CONSTRUCTING THE QUILT TOP:

First Border (Black):

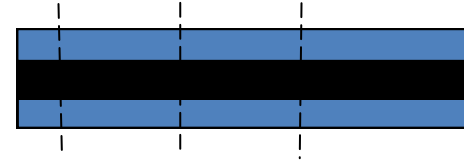

Add 1-1/2" x 22-1/2" strips **Black Solid** to sides of **7206 Black (panel)**. Add 1-1/2" x 42-1/2" strips **Black Solid** to top and bottom of panel.

Second Border (Gray):

Add 3-1/2" x 42-1/2" strips **4314 Gray (bark)** to top and bottom of quilt top. Add 3-1/2" x 30-1/2" strips **4314 Gray (bark)** to sides of quilt top.

Third Border (pieced): refer to diagrams as needed for placement

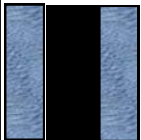

Sew together (2) **528 Lake (water)** 1-1/4" strips and (1) 2" **Black Solid** strip. Repeat for a second strip set. From the strip sets, cut (16) 3-1/2" segments.

Sew together (8) pieced squares with (7) 3-1/2" **Black Solid** squares to form top border, keeping pieced squares horizontal and ending with a black square. Sew in place at top of quilt top.

Repeat steps using remaining (8) strip set segments and (7) 3-1/2" **Black Solid** squares to form bottom border. Note that the bottom border begins with a black square and ends with a pieced square. Sew in place at bottom of quilt top.

Sew together (2) 3-1/2" x 1-1/4" **528 Lake (water)** strips with (1) 3-1/2" x 2" **Black Solid** strip to form square. Repeat to create (12) side border blocks. (This is to maintain directionality of the lake water).

Third Border (pieced): *continued*

Sew together (6) pieced blocks and (6) 3-1/2" squares **Black Solid** to form Left Side Border. Note that this border begins at the top with a black square and that the blocks are aligned up and down. Sew in place.

Repeat, using remaining (6) pieced blocks and (6) 3-1/2" squares **Black Solid**. Note that the Right Side Border begins with a pieced block at the top. Sew in place.
